

AMA Pro Motocross Technical Bulletin #2011-01

To: All AMA Pro Motocross Competitors

Date: March 21, 2011

Effective Date: Immediately

Subject: Second moto staging

2.17 Race Program

a. The race program will consist of two practice sessions per class. The first session will be free and timed qualifying; the second session will be timed qualifying only. Timed qualifying will be used to determine the order in which riders choose their starting position. ~~This order will remain the same for both motos.~~ **Starting positions for the riders' second national moto will be based on the riders finish in the first national moto.**
